### **Letter of Commitment: Proposal for the Academy of Finland**

This letter is to confirm that the Ministry of Transport and Communications, business ID Code 0244632-1, having its registered address at Eteläesplanadi 16, Helsinki Finland and represented by Director-General Pekka Plathan is committed to support the project entitled ILVES: Developing low carbon and low risk transport systems applied for funding in the Academy of Finland's Strategic Research Council funding Programme 2015. Ministry of Transport and Communications is willing to participate in steering of the project and interaction with its researchers.

On behalf of the organisation,

Pekka Plathan  
Director General
